# 01 ABOUT US

Ahlan World is comprised of Arabic language centers in Egypt and Jordan. Each of the centers shares Ahlan World's philosophy, which views foreign language not only as a goal, but also as a tool that enables and encourages greater understanding between cultures.

Accordingly, Ahlan courses combine language learning with an introduction to local customs and traditions for the student in order to have a comprehensive experience that goes beyond language classes.

Outside the classroom, students are offered the opportunity to take part in initiatives with local organizations, attend seminars, and participate in weekly extracurricular activities or trips.

# WHY ALEXANDRIA

Alexandria is the second largest city in Egypt, and one of the largest cities on the Mediterranean. You will find a mixture of natural and historical places which makes Alexandria a unique city.

Alexandria is different from Cairo in many ways. Here, you won't find many tourists, or foreigners in general. Most Alexandrians, subsequently, are not used to speaking foreign languages, providing a distinct opportunity for students to practice Arabic with locals in many different everyday situations.

## 02

# WHY ALEXANDRIA

Though Egyptian summer temperatures reach impressive highs, being in Alexandria offers plenty of opportunities to cool off in the form of its many beaches. You can also take longer trips along Egypt's Mediterranean Coast to see even more stunning beaches. In fact, it is usually quite easy to find inexpensive transportation to "North Coast". Whilst travelling there, you'll find several holiday villages and private beaches where you can relax and swim without interruption.

Although Alexandria is a city of approximately 6 million, it is a quiet, comfortable, and warm-hearted city. Stroll through the souk (market); try some refreshing juice at one of the seaside cafes; enjoy a delicious dinner of fresh fish; visit the ancient Greco-Roman monuments and spectacular mosques; study at the brand-new, world-famous Alexandrian Library; and more, all while studying in this beautiful city.

# COURSES

## WHAT TO OFFER

### **Arabic**

**is a beautiful and diverse language**

and as such, alongside lessons with our expert teachers, the institute offers many activities **to enrich and diversify your opportunities to practice Arabic.**

Time outside the city; frequent visits to historical sites and markets (souks); meeting local people, and making friends with Egyptians, are just some of the many great ways to increase your language skills.

**No matter your level, whether you are learning Modern Standard Arabic (MSA) or Egyptian Colloquial Arabic (ECA), Ahlan World encourages you to embrace Arabic and practice speaking and reading the language both inside and outside the institute.**

# COURSES

## WHAT TO EXPECT

### Ahlan World Alexandria

offers courses for Arabic students of **all levels - including complete beginners.**

**Modern Standard Arabic (MSA) course:** three hours daily; 9am – 12:15pm

**Modern Standard Arabic (MSA) – Intensive:** three hours MSA, daily and two hours Extra Linguistic Activities, daily; 9am – 12:15pm, 1-3pm.

**Egyptian Colloquial Arabic (ECA) course:** two hours daily; 1-3pm.

**Extra Linguistic Activities** comprise a number of activities, such as games that test linguistic skills and conversation, or a **combination of MSA and ECA** courses.

- **Note:** This course is only available to students who are not absolute beginners.

**The number of students in any standard group course is limited to 2-8 students per class.**

We also provide **one-to-one classes** and **special group courses**, year-round.

Ahlan also offer a special programme called the '**Teacher Training Programme**'. It is cheaper and combines MSA classes led by training teachers with those held by our expert teachers.

# COURSES

## WHAT TO EXPECT

### Ahlan World Alexandria

offers **long-term programmes** for both MSA and ECA, as well as the option of a combined programme for both. For students who would like to study for four months or more.

In the case that a student is the **only person** in their level, rather than pushing them into a lower or higher level, we prefer to organise **one-to-one** lessons and the class/course time will be reduced to 70% of the standard group course.

**Our team of teachers is composed of professional, highly experienced, Arabic native speakers, specialized in teaching Arabic to foreigners.**

The school uses a humanistic-communicative approach where each student is encouraged to play a central role in their learning process. Teaching methods are based on the principle that a language is learned to communicate in every-day situations and the techniques used allow the student to practice in what they already know through conversational situations. In addition to conversational activities such as **scene play, role play and group discussions**, there are also games which serve to further stimulate communication in the language.

# GROUP COURSES

# MSA COURSES

IN A GROUP

## MODERN STANDARD ARABIC

MSA

**MSA** courses give students the **linguistic essentials** of the Arabic language, with a focus on the foundations of its structure, grammar rules, and key vocabulary. MSA is primarily used in **Arabic media, academic texts, religious scripts, literature and in formal settings**, rather than on the streets and in everyday conversations.

Nonetheless, most Arabs understand and use MSA, regardless of where they are from or which dialect they speak. MSA is most closely related to the **classic, original form of the Arabic language** upon which the many different **dialects were initially based and formed**.

*MSA courses are 3 hours per day, 5 days per week*

**MSA intensive course** encompasses all of the material in the standard MSA course listed above, but with an additional focus on vocabulary and grammar specifics, comprehension activities, games that test various linguistic skills, and conversation practice. The intensive course is one of the best options for those students wishing to make the most out of their time.

*Intensive MSA courses are 5 hours per day, 5 days per week.*

## INTENSIVE MODERN STANDARD ARABIC

MSA INTENSIVE

TIP FROM US

*Many students choose to study MSA at the start of their Arabic journey and then take on a specific dialect according to their particular interests or location in the Arab world.*

# ECA COURSES

IN A GROUP

## EGYPTIAN COLLOQUIAL ARABIC

ECA

**ECA** courses offer students an immersive study of the Egyptian dialect, which is used by **locals for everyday interactions and conversation**.

Study of ECA focuses less on universal aspects of the Arabic language (which would be found in an MSA course) and instead provides the essentials of navigating **life in an Arab country**, including important vocabulary, phrases, and sayings that students may **hear daily** while living abroad.

*ECA courses are 2 hours per day, 5 days per week.*

# OTHER COURSES

## AHLAN LINGUISTIC PACKAGE

MSA + ECA

**The Ahlan Linguist Package** combines the advanced linguistic study and universalism of **Modern Standard Arabic (MSA)**, with specific knowledge of the **Egyptian colloquial arabic (ECA)**, providing students with a comprehensive understanding of the Arabic language and its varied uses.

Students in the course will gain unique proficiency in the language as well as flexibility regarding future study, as they will have experience in both **MSA and ECA**.

*Ahlan Linguist Package consists of 3 hours per day MSA classes plus 2 hours per day ECA classes, 5 days per week.*

Normally, this is not more than a week per year, nor is it necessarily every year. In such circumstances, we cannot take responsibility for cancelled classes and rescheduling is not guaranteed.

# SPECIAL PROGRAM

Therefore, if a student chooses a program of **longer than six weeks**, he/she can move, at any time, between **Alexandria, Cairo or Amman**. # EXTRACURRICULAR 06 ACTIVITIES

Apart from teaching Arabic, the Ahlan Institute encourages its students to converse with native Arabic speakers outside of the classroom. Its **evening and weekend cultural activities**, as well as **language and cultural exchanges** with Egyptian students (TANDEM), are very popular and encourage students to practice the Arabic they have learnt.

Teachers often remain after hours to spend time with the students and encourage Arabic conversation. Most of our activities are in Arabic and our **cultural program** offers excursions to historic sites, museums, and desert oases. The program includes one-day tours of Alexandria's most historical sites, such as the **Roman Amphitheatre, the Catacombs of Kim el Shoqafa and Roman Pompey's Pillar, the main mosques and Coptic churches**. More modern sites include the **National Museum, the Bibliotheca Alexandrina, the Montaza Royal Gardens** as well as to the souks, such as Bahary and Anfushi.

In the summer the Institute organizes **one-day trips to the beach** at Marina on the North Coast and Montaza or Agami beaches in Alexandria. Tasting the local food is a must – **Alexandrian fish dishes** are famous throughout Egypt. Wandering through the local souks is a great way to pass the time. There are also **seminars** on different topics including Ancient and Modern Egyptian History, the Arab Spring etc.

Students can try their hand at **Arabic calligraphy**, shake their hips in **belly dancing workshops**, cook up an Egyptian meal under the supervision of experts. **Weekend cultural activities** and tours to other parts of Egypt are very popular and involve both students and staff. These tours highlight Egyptian history and heritage and include two or three-day tours to **Siwa** and Bahareya Oases and the White and Black Desert, **Fayoum, Rashed and Cairo**. These tours are always organized within the context of responsible and sustainable tourism so that local communities benefit directly.

# APARTMENTS

Students are **not charged** separately for electricity costs, although we kindly ask students to be mindful regarding their **electricity consumption**, taking care not to leave appliances on when not in use and to limit the use of fans or AC to a **minimum**. Furthermore, Jordan is an extremely water-scarce country, and each household is allotted a **set amount of water per week**. It is unlikely that you will face any shortages but do keep this in mind and try **not to use excessive amounts of water**.

**Shared apartments** are the most comfortable option that we can offer. Apartments are generally assigned ten days before your arrival date. All information concerning the apartment will be included with your other documents and arrival information.

The apartments are of 'good Egyptian standard' which would roughly translate to middle-class quality by Western standards. If, upon arrival, you find any issues with your flat or if there is anything additional, you require, please **contact the school straight away** and we will do our best to address your needs as quickly as possible.

Prior to your departure the management will complete a property checklist to ensure that everything is left as it was when you arrived. A cleaner will come to the apartment **every two weeks**, but students are also expected to **keep their accommodation in a good condition**. If the apartment is found to be in an unacceptable condition at the end of the stay, or if any items are found damaged or missing, students will be **charged accordingly**.

## APARTMENT PRICES

Single room: 360 EUR monthly (90€ per week).

Double room: 180 EUR per person monthly (55€ per week).

# USEFUL 08 INFORMATION

## WHAT TO PACK?

**In the summer,** the climate is warm and humid. There is some relief provided by the relative proximity of the sea, but you should plan for warm/hot weather.

**In the winter,** it is quite cold and windy. There are no centralised heating systems, so we advise you to bring warm, winter clothes for use inside your accommodation. The city of Alexandria is generally not frequented by European tourists and the inhabitants are therefore not accustomed to some of the casual or revealing styles more popular in the West.

We ask that you do your best to show respect for the local population, and considering the possibility of offense in their interactions with European women, please do not bring/wear low-necked blouses or dresses, miniskirts, halter tops, or any other garment that will leave your mid-section exposed!

**Important note: The institute and its associates cannot be held responsible for any problems that may arise from not following the advice given above.**

# TRAVEL 09

## HOW TO GET TO ALEXANDRIA?

Some airlines such as Egypt Air and Turkish Airlines, **fly directly to Alexandria**. Most, however, fly to Cairo, which is about 250 km from Alexandria.

### **For those who arrive in Cairo:**

Approximately every hour - from 5 AM to midnight - there are **buses**, such as Super Jet and West Delta that leave from the Cairo Airport and goes directly to the Alexandria bus station.

Some of the buses make many stops along the way and can take up to 8 hours to complete the journey. In order to take this bus, you have to first take the shuttle that goes from Terminal 3 or 1 to the bus station (Terminal 2 is currently closed).

**The bus station** is located on the back side of the Novotel Hotel at the Cairo Airport. We recommend that you ask the information desk about the proper shuttle before exiting the Terminal. The airport shuttle service is free. The price of the bus service from Cairo to Alexandria is about 120 EGP.

At present, due to the unpredictability of the schedules, this service is not constantly guaranteed. Therefore, if you decide to take the bus, we cannot guarantee you transportation from the Alexandria bus station to your accommodation. If you are able to take a taxi/uber from the Alexandria bus station to your accommodation, please make sure you bargain before getting into the taxi and be aware that should not pay more than 50 or 60 EGP.

In cases of emergency, if you arrive in Alexandria by bus but find that you are not able to get to your accommodation or the institute by yourself, we can **pick you up if you call the emergency number** (paid service). You will get the emergency number before coming to Alexandria with the rest of the orientation package.

Although the **train** is the fastest and most practical service to Alexandria, the availability of tickets from one day to the next is not reliable in summertime. There are two stations in Alexandria, Sidi Gaber and Mahattet Masr which is the central station of the city. The institute is closer to this central one.

Train times start around 6 AM and finish around 9 PM.

# TRAVEL

## AHLAN TRANSFER FOR ARRIVAL & DEPARTURE

If you have requested a transfer from Cairo or Alexandria airport or the bus/train station to your accommodation, an Ahlan representative will meet you at your scheduled arrival time.

At the airport you will find our representative **OUTSIDE** the arrival hall, after passing through passport control and baggage collection.

Remember you must **EXIT** the hall in order to find the driver. The attendant will be holding a sign saying your name and “Ahlan-Egypt”.

If you have not requested a transfer, we will arrange someone to meet you at your accommodation; please let us know your time of arrival in advance.

### TRANSFER PRICES

Transfer from Cairo airport to the accommodation will cost 55 EUR.  
Transfer from Alexandria airport to the accommodation will cost 30 EUR.

# DOCUMENTS

You will need to contact your country's consulate or embassy to get precise information about the required documentation for your trip.

Typically, you will need your **passport** and a **visa stamp**. This stamp can easily be purchased after your arrival in the airport at banking kiosks that you will see before you pass through immigration.

The cost will be 25 USD (or roughly 22 EUR) and you will receive change in Egyptian currency.

**The visa you buy at the airport lasts for 30 days**, after which you will need to renew it. You will need a copy of your rental agreement from your landlord in Egypt; if you are staying in our accommodation, we will provide you with this document. The payment at the passport offices will be in EGP but they have also to have an official receipt with them of withdraw from bank or exchange receipt from the bank

**ON YOUR FIRST DAY AT THE INSTITUTE, PLEASE BRING YOUR PASSPORT.**

# UTILITIES

## PLUGS AND ELECTRICITY

The electrical voltage in Egypt is **220V**. Most outlets take **two-pin plugs**, although some take three. Adapters are easy to find if needed.

## INTERNET

**Free Wi-Fi** can be found at the school and at many cafes in the neighbourhood, as well as around the city. All accommodation provided by Ahlan World comes equipped with Wi-Fi.

**If needed, personal Wi-Fi connections** can be purchased (i.e., with a portable router or USB stick) at any of the main cell service providers that we have mentioned.

## TELEPHONE SERVICE

Cell phones are convenient and practical because it is possible to text messages (contact your provider first to confirm service and pricing), but the cost of calls will be based on both the call and the response.

### **To telephone from Egypt:**

It is possible to buy an **Egyptian SIM card** that will last for about one month. They can be purchased at the **Vodafone, Orange or Etisalat centres** in Egypt.

Take your passport with you when you go to buy one; a card is 250/300EGP.

# 10 LIFE IN ALEXANDRIA

# EATING OUT

**Food and drink** prices in Egypt can vary widely. Cheap options are certainly **available**; oriental breakfast like foul, falafel and shakshoka. Also the Egyptian famous dish koushary, or a cup of coffee from a coffee shop, for example.

However, eating in **sit-down restaurants and western-style** cafes can be pricier. Alcohol is available for purchase in stores and at bars but can be quite expensive due to custom fees.

**Groceries** can be purchased at small markets found in every neighbourhood or at larger supermarkets such as Carrefour and Gomla Market, which can be reached by taxi. Large **fruit and vegetable markets** are also found in large supermarkets and offer the largest variety of goods. Prices for groceries also vary depending on the vendor but can be similar to those found in many western countries.

**Note: After your arrival, you will receive a detailed file called “Alexandria Guide” of all places you need to go in Alexandria.**

# TRANSPORTATION

**Microbuses** are the most common form of **public transportation in Alexandria**. They serve almost all the areas in Alexandria and are considered as the cheapest transportation. Also you order a microbus from an application called **Swvl**, but it's used more in long distance rides, but in nearby areas preferably a regular microbus.

**Taxis** can be hailed from the street and will take riders anywhere within the city, or you can choose a better option by ordering a **private car** from an application like Uber or Indrive, and see the cost of the ride before starting it. **Most rides** will cost between 30 and 60 EGP depending on the distance.

**Red Bus**, It's a two floor bus famous in Alexandria. You can use it as a transportation and a touristic tour in the same time, and it will cost you only **20 EGP**.

**In this tour you will enjoy the sea view from the east of Alexandria to the west.**

**Tram** is also a very popular transportation in Alexandria, serving 140 stops. You can check Alexandria tram lines from [here](#).

# STUDENTS TESTIMONIALS

## MARIAGIORGIA DIECIDUE

I had the pleasure of taking an Egyptian dialect course at Ahlan Alexandria and I couldn't be happier with the experience. The teaching staff is exceptional, made up of highly qualified and passionate teachers who make learning fun and effective. Amira was always available to resolve any doubts or clarifications I had, her presence was constant and her help was always useful and punctual, from my arrival at the airport to my last day in Egypt. The structure is welcoming and makes for an ideal study environment. Furthermore, the school offers a wide variety of courses which can also be customized to suit individual needs. I have seen a noticeable improvement in my language skills during my stay here. Alexandria is an amazing city and I can't wait to return!
